College Raipur), situated in the capital of a newly Incepted state of Chhattisgarh, has proven to be “avant-grade’ in the field of science and technology over past few decades in this region. With sweet memory of foundation ceremony by our President Hon'ble Dr. Rajendra Prasad on 14th September 1956, the institute started with two departments namely Metallurgical and Mining Engineering. Later the inauguration of the Institute building was done by our Prime Minister Hon'ble Pt. Jawahar Lal Nehru on 14th March 1963. From 1st December 2005, the institute has become the National Institute of Technology. The institution has grown in tandem with the major surrounding industries – The Bhilai Steel Plant, SECLBALCO and NTPC Korba. It currently offers 12 Undergraduate and 6 Postgraduate courses including MCA and M. Tech in Applied Geology.
